MRS. PAULINE TOWN, A. B.

In view of the fact that she is outstandingly popular with the senior class, and has been an excellent English and History teacher, as well as advisor to the Annual, Fortnight Growler, our Junior and Senior plays, library, dramatic director of the operettas, director of the dances for the Variety Show and producer of the class night play, we, the members of the graduating class of 1948, express our gratitude for these services by dedicating this volume of the Ithacanian to Mrs. Pauline Town.

Her constant help, her keen sense of humor, her friendliness, and her ability as a member of the teaching staff, have left us seniors with a memory and an inspiration we shall always cherish.

"Thanks again, Mrs. Town, and goodbye." We hope that some day we may be as popular and as successful as you in whatever we may choose to become.

REYNOLD E. MICK

Superintendent R. E. Mick is one of the key-men who have made many of our objectives possible. Few of us can visualize what a tremendous task it is to be a superintendent of schools; trying to move ahead with the times, but still doing what is good for everyone. This is the task Superintendent Mick accomplished. In doing so, he has won the sincere appreciation and respect of the students, faculty and townspeople.

BOARD OF EDUCATION OF ITHACA PUBLIC SCHOOLS

"An Active Leader" is an accurate description of Mr. Carl H. Anderson, our friend and principal. Guiding the students along the pathway of knowledge, showing them right from wrong, being a good leader and a friend — these are just a few of the many services which he has rendered to us and the community.

In Memoriam

ROSEMARY HUNSICKER

With her gracious acts,
And a winning way,
Her smile brought us gladness
Day after day.
With heart filled with kindness
And purpose so true,
She made our days happy,
We hope that she knew.

ALL SPORTS TROPHY—As the Ithacanian goes to press, the Yellowjackets and Crimson Tide teams are battling it out over the All Sports Trophy. Each year this trophy is given to the school which has collected the most points for its standings in the various sports. St. Louis and Ithaca are in a tight race for the honor.

Ithaca has but two more conference baseball games to go and if she remains ahead of St. Louis, she is assured of first. Ithaca now has a two game lead over St. Louis and one game either way will be the deciding factor. She can then finish behind St. Louis in track and still walk off with the trophy.

In case Ithaca is victorious, she will retire the All Sports Trophy which she has already won two times. This would give her permanent possession of her second All Sports Trophy since the origin of the award. Ithaca retired the first trophy in 1943 and in 1946 and '47 rolled over her other opponents for the honor. This year is a deciding factor in her quest.

GOLF—This spring, April 21, marked the beginning of something new in Ithaca High School. Due to the efforts of Coach Hiram Becker, Ithaca is now being further represented in sports by a golf team.

The first match with Alma proved that only "practice makes perfect" and the boys found Alma had quite a golf team. The same thing happened with

Greenville but in the third match with Portland, Ithaca proved itself. Everything was tied up at the end of the first nine holes and then the rain stepped in and canceled the last nine until a later date.

Great interest is being shown by the students and greater things are to be expected of our boys next year. Those who compose the golf team are: Bob Brown, Mack McCormack, Donald Knapp, John Trask, and Tom Haley.

BASEBALL—This year Ithaca has seen reserve Coach Richard Page produce a baseball team of which we can be proud. As this is written, the baseball men have a four won and one lost record for the season and six more games remain to be played. Ithaca is now in second place in the conference standings.

The pitching staff of Ithaca depends mainly upon lucky George Whitaker, first string pitcher, and sophomore Melvin Baracy, who is a reliable relief pitcher. Outstanding hitters who have been pacing the Yellowjackets are stubby Larry Gabrion and the twin brothers, John and Dick Gehrig.

The others who compose Coach Page's first team are: Charles Hardman, Melvin Maxwell, Chal Bauer, Bill Caldwell, Ed. Foster, Dale Beck, Gordon Nestle, Dick Barnes, Gene Cornwell, Gail Mephram, Bob Brown, Stuart Gantz, and Ronny Horton.
